Shubh Mangal Siada Saavdhan TotalCollection : 62.78 cr Genre: AdultRelease Date: May 9, 2014Cast: Rahul Bagga, Tara Alisha Berry, Akash DahiyaDirector: Akhilesh JaiswalWriter/s: Akhilesh Jaiswal, Gunjan SaxenaProducer/s: Ajay G Rai, Sanjeev Singh PalMusic Director: Manan Bharadwaj No one takes his litterateur aspirations seriously, most notably his uncle, who marries him before the beautiful Renu. Although a simpleton, Renu fully supports her husband's ambitions. Exacerbated by her support, Rajaram begins to steal while writing from his humdrum work routine, and eventually is forced to leave his job when his boss publicly humiliates him, and ridicules his fanciful aspirations. To his complete surprise and delight, Renu relentlessly supports his decision, and begins to do odd work from home, while Rajaram begins to fully focus on his writing. But being a stay-at-home writer doesn't go too well with outsider neighbors who quickly issue judgments about the lives of other peoples. Rajaram becomes the butt of all the jokes next door. Turning deaf to all snubs, Rajaram begins to seriously show his work to several publishers. Every time he's reproached. They tell him that he should stick to writing textbook material, and abandon the whimsical ideas of writing a novel. Finally, Rajaram meets a young duo of publishers - Purohit and his brother-in-law, Bharti. They agree to publish Rajaram's story about the plight of the little girl. However, there is one hitch. Rajaram will have to add some necessary sensational elements to his boring tale - some masala as they refer to euphemistically. Rajaram initially miffed this written brief. The only meaning of the masala familiar to it is the species that adds spices to the food. He's not sure what it's meant to bring it to his letter - until he meets Chacha, an eccentric, old village idiot. Chacha is an anomaly in the hypocritical society in which we live - he shamelessly shows Rajarama the more spicy side of life and says it out loud. He introduces Rajaram to the obscene and secret world of soft pornography. It's on everyone's mind, but no one's going to admit it. Chacha knows. Rajaram, scandalized at first, joins the compromise and thus begins to discover another aspect of literature - eroticism. He takes the colorful pseudonym Mastram becomes the first author of the first pornographic novel series in Hindi. He churns out colorful stories about sex that his eager readers insatiably devour. Nevertheless, Rajaram's success remains elusive for him, as all the glory is connected with Mastram. Will the real Mastram finally be exposed? Will Rajaram's sudden surprise arouse suspicion among his ever-supporting wife? How Rajaram will face a society that secretly likes to read but otherwise treats such matters with contempt? Mastram film PosterRating: 4/5 stars (four (four Starring: Rahul Bagga, Tara Alisha Berry, Akash DahiyaDirector: Akhilesh JaiswalWhat is good: This is a risky film that evokes and amazes with its unique and unusual story. With the writer's unit prevailing as a persistent problem, here is a story that is not even remotely heard. What's bad: I didn't find anything to complain about this movie. It's an original, semi-ogographical story with every ingredient on the spot. Loo Break: NoneWatch or Not?: Mastram is a movie that definitely shouldn't be missed. It's a condescending tale that makes for a rather unconventional watch. Requiring that its audience remain consistently emotionally embedded in the film, the narrative is tempting and fiddles with the sexual repression that is ingrained in the Indian psyche with the hypocrisy that plays the accomplice. User rating: Rajaram is a guy with a normal bank job, but harbors within him the desire to make him great as a writer. With one novel in his stride, the guy is humiliated for his initial failure. With all rejecting his novels for lack of his masala factor, he ends up writing his masala best by writing down erotic literature. A man strikes gold with fame coming his way in abundance, but he can't go out in the open about his success because of society's expectations of being virtuous. The story of Rajaram's journey to be Mastram.Rahul Bagga's still from the film 'Mastram'Mastram Review: Script AnalysisSet in the cozy station of Manali Hill, the film is a gripping tale of a writer who avoids his apparently simple work and then makes a fortune out of writing erotica. The reason why the palette served in this film sounds interesting to me because it reflects the Indian thinking process. The same was set quite early in the film, as the writer shows us, Raghuram ties the marital knot simply out of gluttony; his wife cooks a big lamb. Man manuscripts are trampled around by publishers constantly, rejected because of the lack of edgy, spicy factor in them. The failed author begins his journey to write erotic books and gets them published under the pseudonym Mastram. What draws your attention is that Mastram stands quite right for the Indian psyche. With sexual repression quite imbued in our mentality, a scene where a man compliments Mastram in one scene only to act virtuously to his oblivion wife only the next minute, ironically, amusingly, and yet perfectly painted pictures. Stories come from within society and therefore the speed with which it struck a chord with everyone was not entirely unexpected. Delhi's dream small town begins the film, but as Rajaram finds his own foundation in an unusual writing genre, the story is further revealed in by its subtlety at the discovery of a multitude of layers of Indian thinking. Not exactly reproaching him to shreds, the script here dissects it without taking sides or getting preachy. In the second half shifts the focus to understanding and why Mastram is so hot. By equating it with a real scenario, there is no denying that erotica directs sexual energy and paves the way for sexual repression, which, as a society, we reproduce. Although pornography is not legal in India, the country is probably one of the world's largest market for it for the same reason. Making a caustic comment about the hypocritical process of thought of the nation, Mastram succeeds in painting a delicious picture of something banal, but exciting. Mastram Review: The star of PerformancesRahul Bugga is a great actor. Paying tribute to his character, Kapil Dubey also demonstrates the right shades of understanding each bit of what his role requires. Tara Alisha also does a great job and fits Dubei's charisma with her own inner charm. The supporting casts have also been impressive in their work, but the real story of this film is the script and direction over its actors. Mastram Review. Destination, Editing and ScreenplayAkhilesh Jaiswal evokes a standing ovation for being able to tell the story of this challenging task. It takes more courage than potential, and the guy we remember from the Wasseppur Gang tells the story of the dichotomy of the author's life, which strikes gold by writing about the most secular and unconsented thing. The main character wins your heart with his vulnerable me, and yet his daring works say the opposite. Jaiswal creates a character that is multifaceted and uses it as a mouthpiece in commenting on many issues, a hypocritical mentality and sexual repression is his prime most focused. The scenario is tight and has minimal free spots, keeping its consistency for the most part. The film's influence is increasing diversity because of its clear editing, which quite won my heart. Mastram Review: The Latest WordMastram brings out the Indian thinking process in its purest form, by introducing a character who would rather be a flop writer tells domesticated stories for being a successful writer of writing eroticism. It's not his double life, stuck between divine and mundane, that shapes focus, but the story's inherent ability to convey so simply India's most deplorable and horrible mentality turning the Deaf to: Sex. It's not for prurient. Others shouldn't miss it. Easy-going person is a fictional Indian Hindi 2014 directed by Akhilesh Jaiswal, starring Anshuman Jha and Tara Alisha Berry. The film about an aspiring litterateur turns into an initially reluctant, finally full-fledged pornographic writer, inspired by the anonymous author of popular pulp fiction and sex stories in Hindi, known only as Mastram. These books are sold at railway station stalls and small roadside and paving shops in Northern India through the 1980s and 90s. Jaiswal makes his film debut. The film also marks the debut of actress Tara Alisha Berry. The film features songs by rapper Yo Yo Honey Singh's Gujarati Single Achko Machko as well as the theme of the film trailer, which was released on February 14, 2014 by Bohra Bros on YouTube. The film premiered at the Mumbai Film Festival in October 2013, ahead of its theatrical release on May 9, 2014. Plot Rajaram (Rahul Bagga), a small-town bank employee who dreams of going to Delhi and becoming a famous writer. His literary aspirations are not supported by any other than his naive wife Renu (Tara-Alisha Berry). He leaves his job to become a full-time writer, but can not find a publisher for his book. One publisher agrees only if he adds sensational elements or masala to his boring fairy tale. He can't decipher the masala until he meets Chachu, an eccentric, old village idiot who shows him the more spicy side of life. He takes the pseudonym Mastram and churns out of his publicly taboo novel series, which becomes a bestseller. It gets successful however all loans are credited to Mastram not Rajaram. Starring Rahul Bagga in The Star's Film Byaram Tara Alisha Berry in Renu Vinod Nahardich Istiyak Khan as Rajaram's friend Akash Dahiya in The Young Guy in Aishwarya Mehta's Typography as BHabhi (wife of Maahana) Sagar Kraman : Bohra Bros Productions Producer : Sanjeev Singh Pal Ajay Rai Director : Akhilesh Jaiswal Music Director : Yo Yo Honey Singh Creative and Advertising Design : RDM Media Internet Marketing : RDM Media Shooting According to Director Akhilesh Jaiswal, movie stars are some of the best actors from the NSD (National School of Drama) and other theater groups. The film was shot in several locations in Northern India, including Manali. The producer, speaking about the mystery in the film, director Akhilesh Jaiswal says: My film is a fictional story about the life of a writer. Even I'm curious to know who the real brain behind the book is, or the real person behind the author, as you put it. This is not a pornographic film and it hopes to get a certificate from the Censor Council without any cuts. Critical reception film critic Subhash K. Ja gave him 3 stars and said that Mastram brings meditative melancholy to the life of writer. We'll meet the man behind the orgasms. We feel pain under.
